

## External Supervision & Consultation Fee Information

### About the Service

We offer specialist clinical supervision, consultation, and document review for allied health practitioners working in disability. Our supervisors are Professional Leads and senior clinicians across Speech Pathology, Occupational Therapy, Physiotherapy, and Positive Behaviour Support (PBS). Sessions support reflective practice, professional growth, and high-quality, person-centred disability service delivery.

### Individual Supervision

Discipline	Duration	Fee
Speech Pathology	60 minutes	<b>\$193.99</b>
Occupational Therapy	60 minutes	<b>\$193.99</b>
Physiotherapy	60 minutes	<b>\$193.99</b>
Positive Behaviour Support (PBS)	60 minutes	<b>\$232.99</b>

### Group Supervision

Group Size	Duration	Fee
2 participants	1 - 2 hours	<b>\$130 per person per hour SP/OT/PT groups</b>
		<b>\$170 per person per hour PBS groups</b>
3-4 participants	2 hours	<b>\$100 per hour each for SP/OT/PT groups</b>
		<b>\$140 per hour each for PBS groups</b>

### Consultation (All Disciplines)

Duration	Fee
Minimum 90 minutes	<b>\$193.99 (SP/OT/PT) / \$232.99 (PBS) per hour</b>

### Document Review as part of Supervision and Consultation

Structured review of clinical documentation with written or verbal feedback, reflective analysis, and guidance to improve clarity, clinical reasoning, and overall quality. Billed in 15-minute increments.

Type	Fee
Clinical document review (reports, case notes, AT/AAC documents, BSPs, etc.)	<b>\$180.00 per hour</b>
Document review for PBS practitioners receiving ongoing supervision for QSC PBS Core Registration endorsement Pathways	<b>\$232.99 per hour</b>

### Professional Development

Professional development training for practitioners and teams is available upon request. Sessions can be tailored to specific clinical areas, disability practice needs, or organisational goals.
